Owning your own home with Rosa is way too easy!

MEET OUR DESIGNATED LOAN ASSISTANCE PROVIDER

To avail a loan, we have to understand your requirement and the best possible product to suit your needs. Weigh the pros and cons of each before you settle on one Loan Providing Institution.

PROVIDING THE DOCUMENTS

Providing all the valid documents in order to understand the eligibility with respect to the interest rates and sanction amount to the mutually decided Loan provider.

VALUATION OF THE DOCUMENTS

After paying the processing fee as prescribed by the institution, they would proceed with the valuation of the documents to understand the genuinity by various verification processes.

SANCTION PROCESS

This is the part where based on your documents and verification process, the bank communicated the maximum loan amount you can receive and finally proceed with the sanction letter with or without conditions as per the case to be fulfilled by the applicant.

PROCESSING THE OFFER LETTER

The financial institution then issues an certified offer letter which encompasses details of the loan like tenure, amount, interest rates, terms and conditions, etc.

AGREEMENT SIGNING & DISBURSAL

Once you sign the Loan agreement and everything is clear, the bank issues the disbursement via a cheque.
